

Message from GNW Region Manager, Sue Lord

I am looking forward to meeting many ARMA members at the upcoming Great Northwest Region of ARMA Leadership Conference. It will be held June 23-24 in Portland, Oregon. The Leadership Conference is not just for chapter board members! I am convinced that general chapter members can find significance by attending, as well. The leadership and management skills one will learn at the Conference can also be valuable in our workplace as well as our daily life. And, you will have the opportunity to meet other records professionals from all over our region and from ARMA International. The conference has also proven to be a lot of fun! The Oregon Chapter's Conference Committee has been working diligently to put together a great event. Watch for more information in the future. Oh, and bring your dancing shoes!

ARMA International is gearing up for its 51st Annual International Conference and Expo to be held in San Antonio, TX on October 22-25, 2006. It is not too early to begin planning to attend! Watch for more information after June 1 on ARMA's website (arma.org).

I would like to thank you for the efforts and contributions you have made to your local chapter, ARMA and the profession. I wish you a terrific Spring! (Aren't you glad it is finally here!)

Very truly yours,
Susan M. Lord, Manager
Great NW Region of ARMA
