

*From the island...*

**July 30, 2009**

*990s must be postmarked by tomorrow, July 31st. !!!*  
Chapter Presidents, be sure that your chapter's 990 is submitted on time.  
Otherwise you will have to deal with the IRS on your own.

*Updated Chapter rosters for 2009-2010 are due tomorrow to Trevor as well.*  
*I believe most, if not all of you, have already done this. Good job, gang! The other regions have not done as well.*

*Bad news / Good news:*  
*Earlier this month, Columbia Basin President, Donnell Long had to resign her position for personal reasons. Donnell did a tremendous job in her tenure as President and will be missed.*  
*The good news is that Peggy Striefel has joined us on our three-hour tour and is now the President of Columbia Basin. Please join me in welcoming Peggy to the extended region team.*
